

UNITED NATIONS  
UNIVERSITY

GEOTHERMAL TRAINING PROGRAMME

Dec. 9, 2013 /IGH-LSG-EdV

## ANNOUNCEMENT

### Short Course VI on Utilization of Low- and Medium-Enthalpy Geothermal Resources and Financial Aspects of Utilization

United Nations University Geothermal Training Programme (UNU-GTP) in Iceland and La Geo S.A. de C.V. (LaGeo) in El Salvador will be hosting a "Short Course on Utilization of Low- and Medium-Enthalpy Geothermal Resources and Financial Aspects of Utilization", to be held in El Salvador during March 23-30, 2014. The course is tentatively planned as a one week course with lectures, case examples and discussions.

#### **Preliminary programme outline:**

- Sunday 23 March - Arrival in El Salvador, Registering into a Hotel
- Monday 24 March - Opening Ceremony - Geothermal Development in Latin America and the Caribbean - Regional Cooperation and Capacity Building
- Tuesday 25 March - Medium Enthalpy Geothermal Power Plants: Principles and Design Considerations
- Wednesday 26 March - Direct Utilization of Low- and Medium-Enthalpy Geothermal Resources: Space Heating, Balneology, Horticulture, Aquaculture, Industrial Applications, Heat Pumps etc.
- Thursday 27 March - Field trip to Berlin Geothermal Field and Binary Cycle Power Plant
- Friday 28 March - Financial Aspects of Geothermal Development
- Saturday 29 March - Financing of Geothermal Projects, Comparisons and Large Scale Considerations. Summary - Closing Ceremony
- Sunday 30 March - Departure for Home

Participation in the course is by invitation only. The short course is mainly aimed at professionals from Latin America and the Caribbean area who hold a diploma or a degree in chemistry, physics, geology (earth sciences) or engineering, who have been actively involved in geothermal development in their home country, or are potential candidates for that in the near future. Participation of women is encouraged. Organization is in the hands of:

Ingimar G. Haraldsson, Project Manager, UNU-GTP ([igh@os.is](mailto:igh@os.is))

Evelyn de Velis, Human Resources Manager, LaGeo ([evelis@lageo.com.sv](mailto:evelis@lageo.com.sv))

Please contact one of them for further information.
